

FOI 2827

9th January 2025

FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

1. The SHSCT Policy of "Do Not Resuscitate" (DNR)

Response:

There is no policy but please see attachment 1 - DNACPR procedure guidance.

2. How SHSCT healthcare professionals, especially doctors, are trained regarding SHSCT's DNR policy

Response:

The DNACPR procedure is shared with staff during induction and training on the process is undertaken as part of normal day to day medical work and medical training.

3. How doctors should engage with patients and their families in approaching the subject of DNR.

Response:

Please see attachment 1 - DNACPR procedure guidance.
