

FOI 2851

21st January 2025**FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST**

I was hoping to gain some information on pay parity for Senior Day Care Workers and how they are banded in your trust in Northern Ireland. Could you provide the job specifications, job descriptions and the band that they are in?

Response:

The Southern Trust employs Band 5 Senior Day Care Support Workers within Adult Community Services, across Day Care & Statutory Residential Care Service Area. Within the Trust's Mental Health and Disability Service the Trust also employs Band 5 Day Care Workers across Day Care Centres for Adults with a disability.

These job roles are banded as part of the national framework of Terms and Conditions known as Agenda for change. I have enclosed a sample of each job description and personnel specification from recent vacancies for these roles.
