* Please note - Some figures may be inaccurate as part of the time-frame requested manual records were used instead of electronic records. Unfortunately we are unable to provide the information you have requested as the cost of locating and retrieving the information exceeds the “appropriate limit” as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004. It has been estimated that it would take more than 18 hours to locate and retrieve the requested information. In order to obtain this information and it would exceed the £450 limit and is therefore cost prohibitive.
