FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Q. Does the trust provide access to a salary sacrifice scheme for vehicles to employers, and if so, is this solely for electric vehicles or for all?

Response:

SHSCT participates in the Car Leasing scheme, managed by SET, covering a number of HSC organisations, offering access to both salary sacrifice and salary deduction options for employees (not employers). The scheme covers all types of vehicles, not just electric vehicles.

Q. How many colleagues currently avail of this scheme?

Response:

Currently 209 SHSCT employees have car lease contracts under the scheme, 180 vehicles on the road and 29 on order.

Q. How many of these are for electric vehicles, and how many are for plug in hybrid vehicles.

Response:

Of the 209 vehicles 25 are designated hybrid vehicles; 177 are electric vehicles.
