

FOI 3062

2nd May 2025

FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Have hospital parking enforcement officers (or equivalent role with oversight over hospital car parks) recorded/noted any incidents of fake or scam QR codes in hospital car parks owned or controlled by the trust? (Yes or No)

Response:

No

If the trust uses 3rd party operators to manage their hospital car parks - have these operators made the trust aware of any incidents of fake/scam QR codes in these car parks? (Yes or No)

Response:

No

Has the trust received any reports from members of the public relating to incidents of fake/scam QR codes in these car parks?

Response:

No

If yes to any of the above, please provide details of (i) how many and (ii) which sites these incidents took place at.

Response:

N/A – see above

If held, please also provide documentation relating to the most recent five incidents (this may include photos/internal reporting/correspondence etc, redacted where necessary)

Response:

N/A – see above
