

SOUTHERN HEALTH & SOCIAL CARE TRUST

FOI 3013
Based on Arrival Date between 01/01/2019 - 28/02/2025

Question 1 - Number of Patients that attended Craigavon Area Hospital Emergency Department* with a primary diagnosis of Mental Health**

Notes:

*Question asked for Largest A&E Department therefore data is based on Craigavon Area Hospital Emergency Department

**Diagnosis of Mental Health based on UDDA Diagnosis Description 1 field = Anxiety;Depression;Personality disorder;Bipolar affective disorder;Schizophrenia;Eating disorder;Dementia;Delirium (acute confusion);Suicidal tendencies;Panic Attack;Learning Difficulties;Self-harm - history (personal);Psychosis;Other mental health disorder (see free text)

Number of Patients is based on distinct count of HCN

UDDA Coding for the period 01/12/2024 - 28/02/2025 is 41.0% completed. This means there could be some patients with a diagnosis of mental health who have not yet been coded not included within this dataset.

Arrival Year	Number of Patients
2019	1350
2020	1787
