Question. Please provide the average salary for a Maternity Care Support Worker within the Southern Health and Social Care Trust, working 3 night sifts per week (including a minimum of 1 weekend night shift), inclusive of all additional pay and special duties.

If the role covers more than one pay band, please provide for both.

Response:

The member of staff would most likely be a Band 3

The table below identifies the Salary paid to the average Band 3 and separately the cost to the employer – including pension and National Insurance

	Salary Paid to staff	Cost to NHS including Pension and NI
Band 3 -working 3 night shifts per week – a total of 22.50 hrs (including a Sunday night shift)	23,221	31,457
