

FOI 3126

12th June 2025**FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST**

I would be extremely grateful if I could have copies of trust policies relating to Severe and Enduring Eating Disorders (SEED) and to therapeutic non-intervention

Response:

The Southern Trust does not have a pathway for SEED (now known in more common parlance as SLED) in NI. Any effort to create a pathway will wait until recommendations are produced by the Royal College of Psychiatrists.
