**Question. How many people in Northern Ireland in each of the last 3 years have had been assessed for NHS Continuing Care?
Of these assessments, how many have had successful applications in each of the last 3 years?**

Response:

The Southern Health and Social Care Trust can advise that there have been no individuals assessed for NHS Continuing Care in the last 3 years. Therefore, as no one has been assessed, the Trust can advise that there has been no one successful in their application in each of the last 3 years.
