FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

I am writing in regards to deaths while on a waiting list.

- 1. How many people died while on a health service waiting list in your trust area in the 2024/25 year. If possible, provide comparison figures for the previous two years**
- 2. If possible to state, how many of the above deaths were patients on a waiting list for (1) 1 year and over (2) 3 years and over (3) five years and over (4) 10 years and over**

Response:

Please note no assumption can be made that being on a waiting list in any way contributed to their cause of death.

Please see attachment 1, attachment 2 and attachment 3.
