

SOUTHERN HEALTH & SOCIAL CARE TRUST

Number of New Outpatient Referrals (Consultant Led) for Patients who were never seen by Regional Specialty Description

Based on 'Date of Death' between 01/01/24 and 31/12/24

Notes:

Data is based on New Outpatient Referrals with an Attendance of zero

Data is based on Consultant Led Services recorded on PAS. The Regional Specialties 'Obstetrics' and 'Clinical Oncology' have been excluded from this data as per the methodology for the Trust's CH3 Outpatient Waiting List Return.

It is noted that the Reason for the Patient's Death and the Reason for the Patient's Outpatient Referral have not been considered in this report and these may not be for the same reason/health condition
