**SOUTHERN HEALTH & SOCIAL CARE TRUST
FREEDOM OF INFORMATION RESPONSE 3255**

Continence and Stoma Care Formularies

Question 1. Does your organisation have an active Ostomy (stoma) or Continence Care Formulary? If so, please share copies of both formularies, including the full list of products?

Response: The Southern Health and Social Care Trust does not have a stoma or continence care formulary. The remainder of this request is therefore not applicable.

Question 2. What NHS organisations are they applicable to?

Question 3. When was the formulary start date, and when will it end or is expected to be renewed?

Question 4. What is the primary objective of the formulary? If this is to deliver cost-improvement/savings, please quantify what savings the formulary has delivered to your organisation each year since it was active?

Question 5. Which part of your organisation benefits from any Formulary savings?

Question 6. What is the process for renewal?

Question 7. Where new, innovative products are launched while the formulary is live, what is the process for reviewing these and adding to the formulary?

Question 8. Other than cost, how are outcomes measured and which outcomes are measured when assessing the effectiveness of the formulary?

Question 9. Are stoma bags included within your formularies?

Question 10. Who are the lead clinical stakeholder(s) responsible for the formularies – name and job role please?

Question 11. Who are the lead nonclinical stakeholder(s) responsible for the formularies – name and job role please?

Question 12. How is formulary compliance measured by healthcare professionals in your organisation?
