FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Please could I make a freedom of information request for a specific sub-set of cancer drugs:

- **Abemaciclib (Verzenio)**
- **Palbociclib (Ibrance)**
- **Ribociclib (Kisqali)**
- **Alpelisib (Piqray)**
- **Fulvestrant (fulvestrant or Faslodex)**

I would like to request an extract of the hospital medicines usage data held by Southern HSC Trust, detailing the volume of drugs dispensed by hospital pharmacies and homecare, at an individual product level. Please note that this request is for aggregated medicines usage data, and explicitly does not require any patient-level or patient-identifiable data.

Please could you provide a report containing data against the following fields, in .csv format, for each month, covering May 2025 until the latest full data month.

Fields requested:

Dispensing Date (YearMonth)

HSC Trust identifier

Hospital site identifier

Drug code (if available)

Drug name

Volume dispensed

Volume Unit of measurement

Response:

Please see attached.

Please note - We are missing data for the first week in May due to a changeover to our new pharmacy software.
