FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

If the Trust provides emergency dental services, on which sites

Response:

The Emergency Dental Service is currently provided on the Tower Hill site, Armagh.

The number of patients the service, if available, has seen, broken down by year over each of the last five years

Response:

This information is not held by the Southern Trust as the appointment service is managed by the Dalriada Urgent Care Service, which is external to the Southern HSC Trust.

A breakdown of the locality of the address of people being seen by the service - for example in the Western Trust, how many come from Derry City.

Response:

This information is not held by the Southern Trust as the appointment service is managed by the Dalriada Urgent Care Service, which is external to the Southern HSC Trust.

If there is currently a waiting list for the service, and if so, how many people

Response:

This information is not held by the Southern Trust as the appointment service is managed by the Dalriada Urgent Care Service, which is external to the Southern HSC Trust.
