FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

This in relation to the recent refurbishment of the Trust Headquarters at Craigavon Area Hospital over the last 2 years

Question 1: The cost in pounds of work carried out by in house Estate departments

Response: £0.00

Question 2: The cost in pounds of work carried out by outside contractors

Response: £105,525.79

Question 3: The name of the outside contractors used in this refurbishment

Response: Irwin M&E

Question 4: Copies of the 3 quotes requested by the Trust in the tendering process for these specific works.

Response: All works are carried out under TSSC framework which uses an agreed schedule of costs which has tendered at the outset of the framework. Multiple quotation are for works not included within the PSA schedule and in this case there are none

Question 5: I would also be grateful for the same information for the works to be carried out at the Trust Headquarters to provide disability access to the staff canteen 2025-2026 as per your previous reply ref FOI 3387

Response: These works are yet to be procured and are being designed at present. The Trust will seek a quotation for same in due course under the same methodology as response 4.
