

FOI 3488

18th December 2025**FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST**

Under the Freedom of Information Act 2000, I am writing to request a vehicle fleet list used by the Southern Health and Social Care Trust, whether owned or leased. I would appreciate it if you could provide the following details for each vehicle:

Part A

Vehicle make and model, registration mark of each motor vehicle (VRM), date of acquisition.

Response:

Under Section 31(1)(a) of the Freedom of Information Act 2000 (FOIA), information that could make the Trust vulnerable to crime is exempt. Section 31(1) is a qualified exemption, which means that it is also subject to a public interest test. The Trust determines that to disclose the Trusts' fleet vehicle registration details would prejudice the Trust's ability to prevent and react to possible theft.

Reasons in favour of disclosure

We acknowledge public interest in that we wish to be open and transparent. However, we also consider protecting the Trust's interests.

Reasons against disclosure

We are concerned that if the full registration number of our fleet vehicles is disclosed this information could be used unlawfully for criminal activity and have an adverse impact upon the Trust. Once these details are in the public domain they could be used for vehicle cloning or theft, using false number plates for fuel theft, for the avoidance of paying insurance, tax, toll charges, parking fines or to avoid triggering automatic number plate recognition. We have therefore concluded that this exemption should apply and that withholding this information serves the public interest better than release.
