

Daisy Hill Hospital Pathfinder Project *E-Zine*

15 March 2018

Welcome

to the eighth edition of the Daisy Hill Hospital Pathfinder Project *E-Zine*. This monthly newsletter aims to keep everyone up to date with all the developments from the Project.

In this issue we recap on the activity during February and early March.

All project documentation can be found on the Trust Website by clicking [here](#).

Update

The HSCB Board, at its monthly public meeting on Thursday 8th March, endorsed the Pathfinder Report and its recommendations which set out a comprehensive approach to ensuring the sustainability of emergency care services in the Newry and Mourne area.

The report will now be formally considered by the Department of Health.

Pathfinder community representatives make statement

The Daisy Hill Pathfinder Community Forum representatives have warmly welcomed the actions of the Department of Health following its recent endorsement of the Pathfinder final report.

In response the Forum representatives – Karl Hughes (Wellness Action Partnership), Marian Cully (Community Development), Seána Grant (Save Our Emergency Department Group), Michael McKeown (Newry Chamber of Commerce and Trade), Dr Donal Duffin, Jerome Mullen (Polish Consul in Northern Ireland and Daisy Hill Action Group) and Francis Gallagher (Daisy Hill Action Group), issued a statement in which they remarked on *“the developing optimism and positive rhetoric”* in discussions on the future of Daisy Hill Hospital and primary care in the community.
