Karl Hughes

Profile:

Karl Hughes has been manager of the Mental Health Forum in the Southern Trust since 2008. His role ensures that the voice of people who have experienced mental health difficulties is influential in the planning and delivery of mental health services. The Forum has grown since 1993 to become the largest service user body in the Southern Trust.

Karl is representing the Newry, Mourne & Down Wellbeing Action Partnership (WAP) on the Daisy Hill Pathfinder Group. WAP is a community based Forum representing over thirty organisations involved in promoting a health & wellbeing agenda across the statutory and community/voluntary sectors.

Karl has over 30 years' experience working in the community /voluntary sector primarily with youth initiatives & arts programmes. He believes strongly in community representation and advocates for those who feel marginalised and disconnected from society because of social circumstance and health challenges.
