Your Journey Through Step 2 CAMHS

Who? The team consists of Nurses, Social Workers, Outreach Workers, a Family Therapist & a Creative Therapy Support Worker.

What? We provide time limited support to children & families. We DO NOT provide diagnoses or prescribe medication.

Where? CAMHS Clinics are located in Armagh, Dungannon, Portadown & Newry.

FOLLOWING INITIAL ASSESSMENT

Your child may be discharged if there are no mental health concerns.

Your child may be signposted to community & voluntary sector supports.

With your consent a referral may be made to other statutory services for assessment.

Step 2 CAMHS may remain involved to support with agreed therapeutic goals. If you have previously attended CAMHS we will revisit the strategies suggested at that time.

Check out the Youth Wellness Web for useful information for children, parents & teachers
