

Conoravirus – How can I help

People are talking about Coronavirus because it is a new type of flu

Just like with all other colds and flus it is important to be healthy

Children and adults are very good at fighting flu

Just like all colds and flus it can be harder for older people to stay healthy from them

I can stay healthy by

FREQUENTLY WASH HANDS WITH SOAP

I can stay healthy by

NOT TOUCHING MY FACE OR BITING MY NAILS

TRYING NOT TO TOUCH OUTSIDE DOORS, HANDLES OR RAILINGS

I can help keep others healthy by

COUGHING AND SNEEZING INTO MY ELBOW

PUTTING USED TISSUES IN THE BIN

STAYING AT HOME IF I FEEL SICK

Just like any other colds and flus
Coronavirus will go away in a
couple of months

I do not need to worry about it but if I am
unsure I can talk to my caregivers
