

BOARD REPORT SUMMARY SHEET

Meeting: Date:	Trust Board 24 th October 2019
Title:	SHSCT Annual Quality Report – 2018/19
Lead Director:	Mrs Aldrina Magwood
Purpose:	For Approval

Key strategic aims:

- The Trust's Annual Quality Report is published in response to the Department of Health's Quality 2020 Strategy.
- Department of Health have requested that all Trust's publish their Annual Quality Report to coincide with World Quality Day on Thursday 14th November 2019.
- The report content provides an overview of how the Trust is performing against a range of core indicators of quality and includes a range of examples of quality improvements led by staff within the Trust.
- A core dataset for inclusion is agreed regionally for inclusion in the report.

Key issues/risks for discussion:

- Due to workforce challenges and increasing demands being experienced during the period, the impact this can have on quality indicators is acknowledged.

Summary of SMT discussion:

- SMT welcomed the report and noted areas for improvement moving forward.
- SMT acknowledged improvements efforts across all Directorates and the involvement of service users during 2018/19.

Human Rights/Equality:

No Human Rights/Equality issues or concerns to note.
