

Manor Day Centre Winter Newsletter 2024

Welcome to Manor Day Centre's Winter Newsletter.

The staff team here at Manor hope you had a restful break over the Christmas period and would like to wish service users and carers a Happy New Year for 2024.

Manor's Christmas Activities

We all enjoyed a delicious Christmas Dinner and dessert in Manor and we would like to thank Stephanie for making the dinner and decorating the dining room for the celebrations.

We all had a huge Christmas party in the dining room with lots of festive music and dancing. We played pass the parcel, musical chairs, games and had a disco. Everyone had a great time with lots of laughs!

Valentine's Day

Service users were busy preparing for Valentines celebrations!

We have been making Valentines cards and posting them in the post box at the front entrance. We have been doing lots of valentine's arts and crafts and practising our Makaton valentine's song.

Our Valentines song is 'Can't help falling in love'

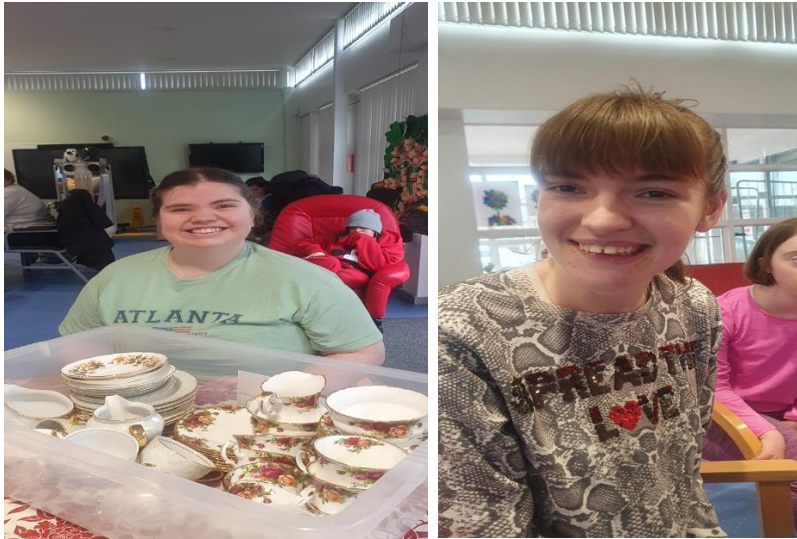

We have been enjoying going on social outings and keeping fit and healthy

International Woman's Day

It was international woman's day on Friday 8th March and we had a tea party with lots of sweet treats.

Cold, flu and COVID symptoms

We would ask that any service users with symptoms of COVID (or cold and flu symptoms) should not attend day centres or board transport. These viral illnesses are spreading in our community and we need to adhere to infection prevention guidelines to protect our attenders and family members.

Staff Training/Centre Closures

Manor was closed on Tuesday 20th February for Mandatory/Essential staff training (Safeguarding, Fire Safety, Dementia Awareness). We are also closed on Monday 18th March for St Patrick's Day. Manor is closed from Monday 1st April to Friday 5th April for Easter.

Thank you for taking the time to read about what has been happening at Manor and we look forward to Spring time when we can enjoy being outside in the garden and going for walks.

The quality of care provided in Manor Centre is independently monitored each month by Julie Sharkey a TRUST independent monitoring officer.

If you have any specific queries or issues you would like to discuss further with day care management please do not hesitate to contact Day Services Manager, Darren Campbell at Darren.campbell@southerntrust.hscni.net or alternatively contact Julie Sharkey at Julie.Sharkey@southerntrust.hscni.net

Thank you for your ongoing support.
