Print It Employment preparation Service

Sheltered employment in your local community for people with learning disabilities aged 18-65 from the Southern Health and Social Care Trust Area.

Print it provides participants with learning disabilities a foundation to grow through two years person centered support, in turn meeting

their training needs. The participants learn and develop work and social skills through participating in the finishing of printed materials produced in house from design to printing and packaging for members of the public. This can include bespoke wedding stationery, business stationery, raffle tickets, gift vouchers, posters including wide format, banners etc.

This project is part funded through the Northern Ireland European Social Fund Programme 2014 – 2020 and the Department for the Economy.

Who is it for?
