Not active?

Start gradually

Active before?

Restart gradually

Out and about

Leisure

aim for at least

150

minutes

of moderate intensity activity every week

Start pelvic floor exercises as soon as you can and continue daily

Build back up to muscle strengthening activities twice a week

Home

It's safe to be active. No evidence of harm for post partum women

Depending on your delivery listen to your body and start gently

You can be active while breastfeeding
