

Involvement & Co-Production Leadership Development Programme

This exciting new programme offers HSC staff, service users and carers an excellent opportunity to develop your capacity to:

- Lead in all areas of PPI from involvement to co-production
- Use Involvement & Co-Production to achieve quality improvement
- Support transformation and service change by involving service users and carers.

To apply for this programme you should:

1. Have an understanding of Involvement & Co-Production in a HSC setting
2. Have experience of engaging in Involvement & Co-Production
3. Be committed to providing leadership for Involvement & Co-Production within the HSC

Please note this course will be delivered in person in a central location and all places will be allocated taking into consideration a balance between service users/carers and HSC staff, as well as a balance across the region.

Closing date for applications: 19th January

A virtual information session will also be held on 19th January 1:45pm. To register for a place on the information session please click on the link below.
