FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

I am trying to understand the level of clinical trials activity that is taking place in the UK. Specifically can you tell me how many commercial clinical trials have been taking place in this trust during the calendar year of 2022?

This could be completed trials, or trials that are ongoing. When I say “commercial trials”, I mean trials that are funded or sponsored by a commercial company such as a pharmaceutical company.

Response:

There were 17 commercial clinical trials in Southern Trust during calendar year 2022
