

**My name is Edward**

**I am 8 years old.**

### **About Me**

- I live with my mummy, daddy, brother and sisters. I am the oldest of 5 kids
- I Like to play Minecraft and practise my times tables
- I don't like doing my chores around the house
- Before SLT I always thought about my stammer

### **During Therapy**

- I liked playing games, my Speech and Language Therapist was very nice.
- For homework me, mummy and daddy had special time and I enjoyed this
- \* Now I don't think about my stammer that much
- \* My favourite achievement is accepting who I am with my stammer and building my confidence

**My name is Aisling  
& I'm  
Edward's mummy**

**Parent feedback ...**

Since starting the sessions, Edward has continually grown in confidence which has resulted in a noticeable reduction in his stammer and improved his overall confidence, which has led to Edward getting more involved and enthusiastic with school work and learning to ride his bike.
