FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Please can you details all managers and directors within children and adult social work?

Can you list name, job title, telephone number and email address?

Please see response attached.

Please note the email addresses provided should not be used for direct marketing purposes.

Generic email addresses for the Children & Young People's and the Adult Community Services Directorates are not held. They do however hold individual staff email addresses, but in this case we will not be providing them as they are exempt from disclosure. We are not obliged, under section 40 (2) of the Freedom of Information Act, to provide information that is the personal information of another person if releasing would contravene any of the provisions in the Data Protection Act 2018 (DPA). In this instance we believe that the release of this information would contravene the first data protection principle and therefore section 40 (2) is engaged. The terms of this exemption in the Freedom of Information Act mean that we do not have to consider whether or not it would be in the public interest for you to have the information.
