FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

We are writing to request information under the Freedom of Information Act 2000. CACI Limited is interested in certain information held by your organisation regarding your **Integrated Data Platform (for secondary use)**. As part of your response, please can you include the following information:

Integrated Data Platform (for secondary use).

- 1. Do you use an Integrated Data Platform that consolidates multiple data sources for the purpose of analytics and reporting?**

Southern Trust currently use the Qlik data analytics platform for the consolidation of multiple data sources for the purpose of analytics and reporting. Other reporting tools are used for single source analytics and reporting.

- 2. Who is the supplier of this system or systems if more than one?**

The Qlik platform is currently supplied under a regionally agreed contract with BT & Capventis.

- 3. When does the contract (contracts) expire (not including optional extensions)?**

The current contract ends on the 21st October 2024

- 4. Does your current contract meet all your statutory data submission needs?**

Statutory data submission requirements are currently met using current contractual arrangements.

- 5. Does the Trust have a strategic Business Intelligence or Data Analytical tool?**

Multiple business intelligence and data analytical tools are used across the Trust by different teams for different purposes.

6. If so which one?

The primary tools used currently include Qlikview, QlikSense, Business Objects and Crystal Reports.
