I can confirm that the department holds the remainder of the information that you have asked for, but in this case we will not be providing it to you as it is exempt from disclosure. We are not obliged, under section 40(2) of the Act, to provide information that is the personal information of another person if releasing would contravene any of the provisions in the Data Protection Act 2018 (DPA). In this instance we believe that the release of this information would contravene the first data protection principle and therefore section 40 (2) is engaged. The terms of this exemption in the Freedom of Information Act mean that we do not have to consider whether or not it would be in the public interest for you to have the information.
