FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

(i) How many HEPA filters have been installed by the Southern Trust in the last three years?

There have been approx. 25 replacement HEPA filters installed in the past 3 years into fixed ventilation systems.

(ii) Are any programmes in place in the Southern Trust to upgrade mechanical ventilation in hospital wards?

Yes, the Southern Trust has carried out a number of recent mechanical ventilation programmes and intends to continue to upgrade systems subject to available funding.
