## **FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST**

---

Can you please advise how many Dexcom G6 continuous glucose monitors are being funded by the trust for paediatric type 1 diabetics? = **144**

Can you advise the number of funded Dexcom G7 for children with type 1 diabetes = **11**

Can you advise the number of Dexcom G6 funded for adults? **32**

Can you advise the number of Dexcom G7 funded for adults? **<5**

Can you advise the number of people who are self-funding a CGM for a child with type one diabetes = **0**

The Trust has a legal duty to protect patient confidentiality and in line with this duty, the figure <5 has been provided where figures are very low. This is because of the potential risk of identification of an individual. In reaching this decision the Trust has taken into account the small geographical area, which the Trust serves and the sensitivity of the information requested. In addition the Trust has taken into account the fact that all information disclosed in response to an FOI is disclosed to the 'world at large' and is published on the Trust website.

S 40 (2) (third party information) of the Freedom of Information Act 2000 has been applied to exempt the redacted information from disclosure. The Trust does not consider the disclosure of the redacted information to be fair to the individuals concerned as there is the potential risk of identification of an individual(s) which they would not expect, and which would therefore breach the fairness element of the first principle of the Data Protection Act 2018.
