FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Please could you provide information on the following:

- (1) Do you accept referrals for currently serving Military Personnel for an ADHD Assessment.**
- (2) If the answer to (1) is “no”, to what agency or service do you direct the serving military person to.**
- (3) If the answer to (1) is “yes”, how many referrals have you received, by year, for the last 5 years.**
- (4) How many assessments for ADHD have you completed, by year, for the last 5 years, for currently serving Military Personnel**
- (5) How many positive ADHD diagnosis have you made, by year, for the last 5 years, for currently serving Military Personnel.**
- (6) Do you prioritise currently serving Military Personnel for an ADHD assessment.**
- (7) What categories of people do you prioritise for an adult ADHD assessment.**
- (8) What support do you offer to currently serving military personnel who you diagnose with ADHD**
- (9) What is your current waiting time for all adult referrals for an ADHD Assessment.**
- (10) How many Shared Care Agreements do you currently have for serving military personnel.**

Response:

There is no commissioned ADHD service for adults in the SHSCT therefore there is no assessment pathway in place for new referrals. If a person is diagnosed with ADHD in children's services and required ongoing medication management by a psychiatrist, they will continue to receive regular reviews by a psychiatrist in adult mental health services. Waiting times for ADHD diagnosis in adult services is not recorded or reported on in the SHSCT as there is no commissioned service in place.
