## **FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST**

---

**Can you provide me with the amount of people that were overpaid from and including January 2020 to July 2023 in the SHSCT?**

**Can this be broken down in months?**

**Also for the same period can you provide the amount of loans received by employees of the SHSCT?**

Response:

Please see attached table

The term 'loan' in this context relates to the recovery of an overpayment when identified, and the repayment is against this 'loan'. The data is for the overpayments processed for recovery in the months covered, and not for actual overpayments that arose in that month, as it will take time for the overpayment to be identified, the amount to be recovered calculated and then the employee notified. PSC (Payroll Service Centre) do not report on the month that the overpayment originated.
