21st September 2023

## FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

---

- **Are your data systems between primary, community, and secondary care integrated, and if not - do you have plans to integrate them?**

*Not currently, the regional Encompass programme to integrate community and secondary care systems is underway.*

- **Do you have a baseline mapping of your digital infrastructure in place?**

Yes

- **If it is not already in place, are you building one?**

- **Do you have a public facing digital strategy?**

*Regional Digital Strategy HSC Northern Ireland 2022-2030*

- **Do you use patient-initiated follow-up (PIFU) processes or technology?**

No

- **Are there any tasks which your organisation performs or augments with AI tools such as Chat GPT or GPT-4? An example would be a physician using GPT-4 to assist (but not rely on) diagnosing a patient's condition.**

Yes

- **If not currently used, do you anticipate using AI tools to assist in performing tasks within your organisation?**

- **Do you employ the following roles in your health system? If yes, approximately how many?**

1. **Chief System Integration Officer**

No

2. **Director of Digital Products**
