FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Can I please have copies off all risk assessments, Risks benefit analysis and all related documents made with regard to the removal of Emergency General Surgery from Daisy Hill Hospital.

Response:

Please find attached the live risk log in relation to your request.

An internal consultation with allied specialties to General Surgery was carried out during the months of December 2021 and into early January 2022. Regular meetings were held jointly chaired by the Director of Acute and the Medical Director to ensure that identified risk(s) have been discussed and mitigations put in place.
