Response: Your request for information regarding 'Ethnicity category White British Other 1K' has now been considered. Unfortunately, the Southern Health & Social Care Trust does not hold the information you have requested.

Within the Southern Health & Social Care Patient Administration System (PAS) a patient's ethnicity is not a mandatory field requiring input, and therefore, we do not routinely record the ethnicity category when a patient has an elective or emergency admission, thus we are unable to provide the information asked for.
