FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Could I please request the Policies and Procedures document that a social worker within the Southern Trust, is to follow.

It is for Memory Services, policies and procedures for a social worker that's in charge of a dementia patient.

Your request for information regarding Policies & Procedures documents that a Social Worker within the Southern Trust are to follow has now been considered. Unfortunately we are unable to provide this information due to the request not being clear. The Trust have their own operational procedures but these vary from Adult Community Services, Children & Young Persons Service and Mental Health Services and we would require further clarification for us to provide this information to you.

Please see below DoH guidance for Care Management Provision of Services:-
