FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Question 1: Can you please tell me what is the physiotherapy input for the pathways in delivery of NICE guidelines with children with ASD, ADHD and children born pre-term?

Question2: Can you also tell me what the waiting lists are for these services?

Response: Your request for information regarding the physiotherapy input for the pathways in delivery of NICE guidelines has now been considered. Unfortunately the Southern Health & Social Care Trust does not hold the information you have requested.

The information you are requesting may be held by the Strategic Planning and Performance Group (SPPG) and their contact information can be seen as follows:
