FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

What is the number of individuals receiving treatment for sepsis in the years 2020, 2021, and 2022?

Please see attached document for response.

How many people underwent the placement of a central venous catheter during the same time frame?

Please see attached document for response.

Could you provide the count of reported line infections over the corresponding period?

We are unable to provide the count for reported line infections as there is no clinical coding for this.
