## **FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST**

---

**I'd like to make freedom of information request regarding Chronic Kidney Disease.**

**More specifically, information for how many patients within Northern Ireland / Belfast are being treated for chronic kidney disease, acute kidney injury and end-stage renal disease.**

**Information on the age brackets and sex of these patients would be brilliant if possible.**

Please see attached spreadsheet for number of inpatient finished consultant episodes with a primary or secondary diagnosis of chronic kidney disease, acute kidney injury or end-stage renal disease for 2022/23.
