FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

The Library at Queens currently adds your official documents to our Northern Ireland Official Publications Archive. This request relates to the Annual Report & Accounts of the Trust Funds, copies of which we have successfully obtained from your website. At this time, we have been unable to obtain an electronic copy of enter issue number 2016,17,18,19 and would be grateful if you could provide us with pdf format? (Include if you wish) The record for this title available from this link <https://niopa.qub.ac.uk/handle/NIOPA/16440>.

For context, Queen's has always played an important role in collecting official publications and under National Archives and earlier HMSO guidance the Library is treated as an official deposit library for Northern Ireland official publications in print. With the demise of print format, the Library has focused on the creation of a digital archive since 2015. To do this we manually harvest the websites of all NI official bodies and Southern Health & Social Care Trust is one of these sites. The documents are added to our online archive and each document description (metadata) and file is sent in a feed to the BL (under contract), from where it is cascaded to the other 5 LDLs.

This means in effect that the activity fulfils NI Department obligations to Legal Deposit Libraries outlined here in The Executive Office document (sections 13, 14 and 22) <https://www.executiveoffice-ni.gov.uk/sites/default/files/publications/execoffice/nics-guidance-on-laying-presenting-depositing-papers-ni-assembly-2023.pdf>

Publications can be sent directly by way of email attachments to this email address niopaenquiries@qub.ac.uk or where there are large / many titles, via [QUB dropbox](#)
