26th February 2024

FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

What guidance documents or policies does CAMHS use to inform their practice when a young person is seen by the assessment crisis team following an episode of self harm? Can information provided please cover the period of June 2021.

Response:

Please see attached response on NICE Guidance on Self-harm that was operational from 28/07/04.

Please be advised that this guidance was revised and replaced by below guidance in 2022

Self-harm in over 8s: short-term management and prevention of recurrence | Guidance | NICE
