Covid-19 testing and centres, March 11th 2020 - July 1st 2022.

- **How much money did each individual company receive, per day for manning each individual Covid-19 testing site?**
- **What company manned Covid-19 test sites across the trust?**
- **Please provide a breakdown of the tender process, all applications, all contracts and all correspondence with the directors of all company's involved.**
- **Please provide a breakdown of the following; each test site, number of staff working at any time at each site. Cost of one member of one hour.**
- **As per the contract, how much was each staff member paid per hour?**

Response:

Not applicable.

While the Trust did provide testing, this was undertaken by our own staff (potentially including agency staff).

No individual company was employed / contracted to undertake testing.
