## **FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST**

---

**Question:**

**How much did it cost to buy and install all of the Christmas trees and lights both indoors and outdoors at Craigavon Area Hospital?**

**Response:**

All LED Christmas trees and lights have been purchased from previous years are erected and taken down by our own staff as part of their daily workload. Real Christmas trees have not been used for the last 5 years due to the high costs to provide by specialist suppliers and their single use.
