Unfortunately we are unable to provide the Psychology Services figures, as they are not held on a Trust electronic system and the cost of locating and retrieving the information exceeds the “appropriate limit” as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004. It has been estimated that it would take more than 18 hours to locate and retrieve the requested information. In order to obtain this information and it would exceed the £450 limit and is therefore cost prohibitive.

Under section 12 of the Freedom of Information Act 2000, Public Authorities are not obliged to comply with an information request where to do so would exceed the cost limit.
