FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Under the Freedom of Information Act please could I request the current MRI asset counts (number of MRI machines) from HSC Northern Ireland for all boards within Northern Ireland. I have received a response from Belfast HSC but require the remaining 5 HSC trusts MRI counts.

Response:

Within the SHSCT, there are currently 2 commissioned MRI scanners based on the Craigavon Hospital site. Since July 23, there has been a leased MRI scanner based on the Daisy Hill Hospital site. The contract for this lease terminates in June 2024.
