FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Question: Under the Freedom of Information Act, could you provide the following number of Midwifery staffing Red Flags within the Trust for 2023, and if available, the number of Midwifery staffing Red Flags within the Trust for 2024 to date?

Response:

This data is not centrally recorded. In order, to provide this information a significant manual trawl of records from a number of sources is required. The cost of locating and retrieving the information exceeds the “appropriate limit” as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004. In order, to obtain this information, it would exceed the £450 limit and is therefore cost prohibitive.

Under section 12 of the Freedom of Information Act 2000, Public Authorities are not obliged to comply with an information request where to do so would exceed the cost limit.
