FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Your request for information relating to local guidelines for the treatment of obesity and referral pathways for Tier 3 or Tier 4 weight management services has now been considered. However, the Southern Health & Social Care Trust does not hold the information you have requested as the Trust is a provider of services and not a service commissioner. I can advise that currently there are no Tier 3 or Tier 4 weight management services in the Southern Trust area.

The information you require may be held by the Public Health Agency.
