FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Question: I would like to make a request under the Freedom of Information Act, for a copy of your organisation chart for your Information Governance function/ team(s)/ Directorate/ business area, within the Trust. This should cover all staff from the staff leading on Information Governance down through to the administrative staff. I would also like to request information regarding the grade of staff, based on the current Northern Ireland HSC scales structures, 'e.g. band 7'.

If this information isn't readily available on one organisation chart image, I am happy to receive the information from separate records, e.g. a copy of the organisation chart for the directorate or group with then information extracted from other materials you should hold, e.g. job descriptions should record job title and grade of staff, to provide the title of the post and the current grade of each post. I'm content for any irrelevant, or personal information to be redacted.

I am not asking for specific salaries, just grades/ pay bands.
